After years of close cooperation, Aalto Capital (Helsinki, Finland) and SCALA Corporate Finance (Munich, Germany) have decided to join forces to become an independent Pan-European corporate finance group, focusing on advising clients in all aspects of financing and mid-market M&A transactions. Pekka Halonen, Managing Partner (Helsinki): "We see growing demand for pan-European corporate finance services among our mid-market customers in Scandinavia and with the new Aalto Capital group we are able to respond to this demand." Manfred Steinbeisser, Managing Partner (Munich), adds: "We have been over the last years very active in advising European SME's in cross-border financing with an increasing trend. By being present in various markets we will be able to serve our clients not only domestic, but also international financing solutions, which underlines the current market development."

A local footprint together with a strong pan-European market coverage enables Aalto Capital to provide comprehensive tailored solutions, and moreover, access to versatile range of sources of financing and markets to its clients.

Aalto Capital operates as of today offices in Helsinki and Munich and more office destinations are expected to be launched in the future:
